Power Sources

230 V AC,
50 Hz mains power

Mechanical Dimensions (in inch)

13" x 15.21" x 13"

Weight (in kg)

3 kg (approx.)

Benefits To Customer

- **Student friendly:** No risk of HV electrical shock. Practice more.
- **Feels like a real defibrillator.** Enables learning in an electrically safe environment.
- **Instructor friendly:** Flexibility to create multiple scenarios at will and conduct exams too. Full control using remote control.
- **No need for expensive defibrillator manikins.** CPR manikins or live humans can participate.
- **Super Affordable:** Enables multiple students to practice at once.
